Subject: **NPDES Permit No. TN0081663**  
**Shelby Farms Park Conservancy**  
**Memphis, Shelby County, Tennessee**

Dear Ms. Andrews:

This letter is to inform you the Division of Water Resources is terminating the above referenced permit effective as of the date of this letter. As stated in your correspondence, operation at the facility located at 500 North Pine Lake Drive does not have any point source discharges to the waters of state that require an NPDES construction permit. If you should decide to discharge again under an individual permit, you must reapply for an NPDES permit at least 180 days prior to any proposed discharge.

If you have questions, please contact the Memphis Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Vojin Janjic at (615) 532-0670 or by E-mail at [Vojin.Janjic@tn.gov](mailto:Vojin.Janjic@tn.gov).

Sincerely,

Vojin Janjic  
Manager, Water-Based Systems
